

TARGET ALLOCATION & ACHIEVEMENT SYSTEM (V2)

BUSINESS OBJECTIVE

Admin assigns monthly CB targets to employees.

Employees achieve targets through Weekly Report CB submissions.

Target achievement awards milestone points.

Maximum target achievement reward:

100 Points

TARGET CYCLE

Default Target Cycle:

10th Current Month
to
9th Next Month

Example:

Cycle 1:
10 Jul 2026 → 09 Aug 2026

Cycle 2:
10 Aug 2026 → 09 Sep 2026

ADMIN TARGET ALLOCATION

New Menu:

Target Allocation

Admin Fields:

- Employee Name
- Target CB Count
- Start Date
- End Date
- Notes (Optional)

Example:

Employee: Ravi

Target:
100 CBs

Period:
10 Jul 2026 → 09 Aug 2026

TARGET STATUS

Each target can have one of three states:

1. Active
 2. Pending Settlement
 3. Closed
-

ACTIVE

Target period is currently running.

Employee can continue submitting reports.

Target progress updates live.

PENDING SETTLEMENT

Target period has ended.

However some reports belonging to that target period are still waiting for admin review.

Example:

Target:

10 Jul → 09 Aug

Pending report:

05 Aug → 09 Aug

Admin has not yet reviewed.

Status:

Pending Settlement

CLOSED

All reports belonging to that target period have been reviewed.

Final achievement is calculated.

Final target points are awarded.

No more changes allowed.

WEEKLY REPORT WORKFLOW

Employee submits:

- From Date
 - To Date
 - Agency Name
 - Number of CBs
 - Notes
-

ADMIN REVIEW OPTIONS

1. Approve + Points

Weekly Report Points:

IMPORTANT RULE

Target achievement is based on

REPORT DATE RANGE

NOT

Approval Date

EXAMPLE

Target Cycle:

10 Jul → 09 Aug

Employee submits:

05 Aug → 09 Aug

CBs = 20

Admin approves:

15 Aug

Result:

These 20 CBs belong to:

10 Jul → 09 Aug target cycle

because work happened in that cycle.

SYSTEM RESTRICTIONS

1. One Active Target Per Employee Per Cycle

Prevent duplicate targets.

2. No Overlapping Target Periods

Prevent:

10 Jul → 09 Aug

and

20 Jul → 19 Aug

for same employee.

3. Maximum Target Achievement Points

100

Never exceed 100.

4. Approved Without Points

Counts CBs

Does Not Award Weekly Report Points

5. Rejected Reports

Do Not Count CBs

Do Not Award Points

6. Historical Accuracy

Old reports always contribute to the target cycle in which the work was performed.

Never move old CBs into a newer target cycle because approval happened later.

7. Final Closure

Target remains editable only while:

Active

or

Pending Settlement

Once:

Closed

Target achievement and points become permanent.
